Skyjack door Tim Vicary

anoniem

Skyjack is a book about a plane that become skyjacked. On the plane Carl and his friend Harald are sitting. Harald is a police officer and he's taking care of Carl. Carl calls the hostess and asks for a cup of coffee. Harald wants a cup of coffee too, he calls the Hostess but she is not coming. Because she is talking with two men . Then one of the men walks into the pilot's cabin! One Minute later there is a voice talking in true the boxes that is saying that they are landing on an other airport. The plane is Hijacked. The voice was talking again true the boxes and it says that everybody must show there passports and that the hijackers want to free there brothers from jail. The hijackers are from the Peoples Liberation Army. Harald destroys Carl's Passport and tells that he's a policeofficer. Carl is his prisoner. When Helen Sandberg, the prime minister, hears that this plane is hijacked she goes to the airport. There she looks at the list of passengers and she becomes frightened. On the List is the name of her husband, Carl Sandberg! The hijackers want there brothers in two hour otherwise they kill one passenger! They kill the first passenger . The prime minister has half an hour before they are killing the next passenger and the next passenger is Harald! When the Hijackers find out that the man of the prime minister on the plane is they start to thred.

The brothers of the Hijackers are on the airport and one of them goes inside. The deal was that the hijackers then release 100 passengers, and they do. On the plain are still 7 passengers and 4 crew people. When the second brother is on the plane three refeulmen go on the plane and shoot three hijackers. The Hijacking is over.
