(DATUM)

Dear Sir/ Madam,

I am writing this letter to you, because I would like to apply for a job. Last year, I've visited England. It has pleased me very well. Oxford and Warwick were beautiful and I would love to go back. Of course I visited Warwick Castle too. I've never seen such a beautiful castle like that! I love castles a lot. At the moment, I'm writing a paper about Dover Castle, where I also have been. It's beautifully situated, but not as beautiful as Warwick Castle.

The problem that most of the students have, is money. That's my problem too. I would love to go to Warwick Castle again, but I haven't got enough money. Isn't it possible that I get a job? I know a lot about castles and I'm willing to accumulate and read as much information as possible about Warwick Castle. I'm interested in history and I can speak German well and excellent Dutch, of course. Isn't it possible for me to guide a number of guests from the Netherlands and Germany? I don't ask for a salary, costs and lodging is sufficient.

Moreover, I'm willing to perform all kinds of activities. I can also work in the kitchen or in the gardens, that's no problem.

I hope you want to think about my letter. You can write me at the address above, or call me at the number: (JOUW TELEFOONNUMMER) . You can also write an e-mail to me. My e-mail address is: (JOUW E-MAILADRES)

I hope to hear from you soon.

Yours faithfully,

(JOUW NAAM)
